

# SPARK!

CULTURAL PROGRAMMING  
for PEOPLE WITH MEMORY LOSS

Experience Yesterday Life... Today!

## UPCOMING PROGRAMS

SPARK! Programs start at 10:30am and last for an hour and a half. Each program has an opportunity for participants to socialize with coffee & snacks.

The Chudnow Museum of Yesteryear proudly hosts SPARK!, a free monthly program for caregivers and their loved ones experiencing early to mid-stage Alzheimer's disease and other forms of memory loss. Programs engage participants in hands-on learning, discussion and creative experiences. Each program focuses on a small area of the Chudnow Museum in a welcoming and stimulating environment.

Specially-trained Museum educators and volunteers engage participants in lively conversations, music listening, art projects, encountering museum artifacts and other multi-sensory activities focusing on in-the-moment experiences. The Chudnow Museum is working with volunteer students at Marquette University to participate in these programs of conversation and creativity.
